

# DEPECHE MODE VST VOLUME FOUR

Thank you for purchasing the Depeche Mode Vol-4 VST instrument.

This is the FOURTH volume in the very popular series. It now has an upgraded GUI interface offering more effects and Poly/Mono option for basses & leads. A Portamento glide can be added in Mono mode.

Every included sound has been meticulously sampled, edited, looped and mapped across the keyboard. An incredible value VST with a stunning set of sounds and drums from this iconic group.

**NOTE: Please place the included fonts into you 'FONTS' folder on your computer. This will show the correct display like what is shown above.**

**To Install the VSTi: Please see the serial text file for installing into Mac or PC.**

I hope you enjoy this VSTi release.
