Thank you for purchasing this 'Miami Sound Machine Drum Rack' VST instrument.

Drum kits from five classic hits from the superb Miami Sound Machine. There are also some brass samples, guitar, synth and bass samples included.
 Onboard effects included and pitch & tune controls.

NOTE: Please place the included fonts into you 'FONTS' folder on your computer. This will show the correct display like what is shown above.
To Install the VSTi: Place the entire folder into your VST plugins folder. When you then start your DAW, it will automatically be integrated within your setup.

This instrument is now VST 3 ready and available for Mac users.

Here is a short video showing how to get up & running quickly in Windows...
